Requirements of 9555.6225 Subp 8 regarding medication assistance/administration.

Medication by a Homes Plus Service Provider may only be given in accordance with the written instructions of the physician. A prescription label constitutes written instructions from the physician.

A Homes Plus Service Provider shall not give injectable medication unless:

* The provider is a registered nurse or licensed practical nurse with a current Minnesota license, is authorized to do so in writing by the resident's physician (attach authorization), and is covered by professional liability insurance.

OR

* There is an agreement signed by the Homes Plus Provider, the resident's physician, the resident, and the resident's legal representative specifying what injections may be given, when, how and that the physician shall retain responsibility for the providers giving injections. A copy of the agreement must be placed in the resident's personal records.
