

The Wilkin Soil & Water Conservation District invites you to attend the
Wilkin County Soil Health Demonstration Site

Where: 1 Mile North of
 Breckenridge, MN

Field Day

When: July 12th, 2023
 9:30am—2pm

9:30am—11:30am Join us as we highlight the soil, water and economic analysis pertaining to each tillage treatment. We will also share the data collected over the last three years.

11:30am-12pm Anna Cates will discuss soil function, soil structure and run a demonstration on water flowing through the soil.

12pm-2pm After lunch we will run a live demonstration with a Soil Warrior Strip-Till Machine followed by NRCS showcasing a rainfall simulator, wind erosion simulator, and soil structure test.

There is no cost to attend but if you are joining us for lunch please RSVP to the Wilkin SWCD by July 10th.

218-643-2933 Ext. 3 or email kimberly.melton@mn.nacdnet.net
